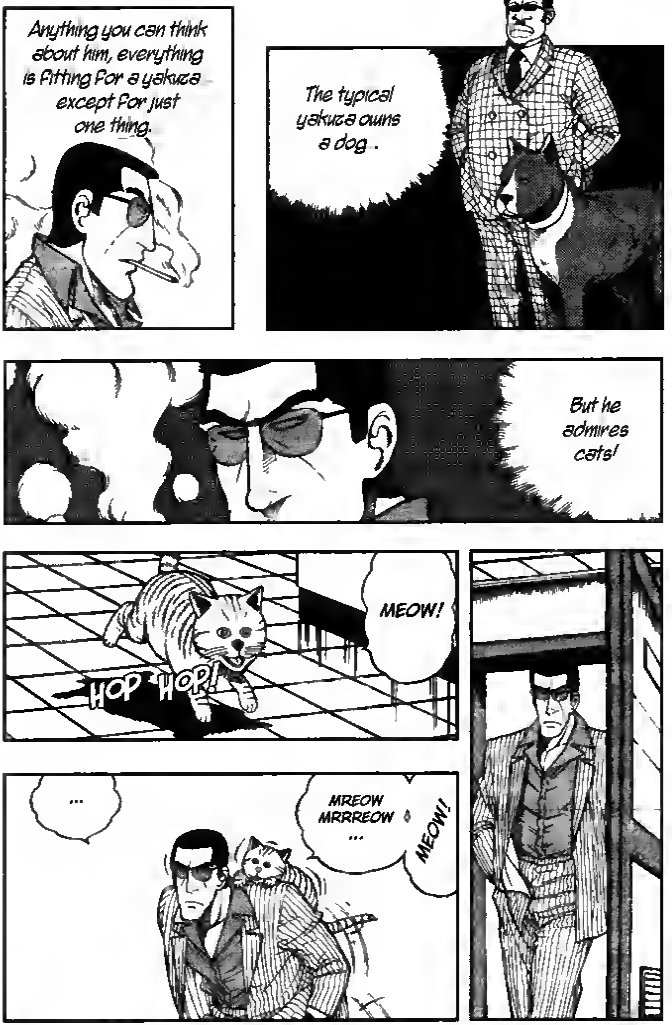
Of course he is driving a Mercedes, he couldn't afford to sit in some Toyota or such...
A yakuza has to represent himself as a yakuza



Anything you can think about him, everything is fitting for a yakuza except for just one thing.
The typical yakuza owns a dog.
But he admires cats!

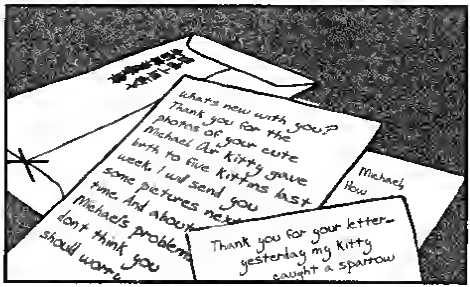
And on top of that...



What's new with you? Thank you for the photos of your cute Michael. Our kitty gave birth to five kittens last week. I will send you some pictures next time. And about Michael's problem, don't think you should worry

Thank you for your letter- yesterday my kitty caught a sparrow

EDITOR'S NOTE: TO HELP OUT, I'VE PUT QUOTATION MARKS AROUND PHRASES THAT ARE MEANT TO BE IN ENGLISH. TO MAKE THINGS MORE COMPLICATED, THE JOKE (AS YOU'LL SEE IN A MINUTE) IS THAT THE CHARACTERS ARE USING SOME WEIRD PRENOUNCIATION TO MAKE THEIR PHRASES DIFFERENT FROM CLASSIC ENGLISH.

WHY DOESN'T IT WORK? I WAS TALKING IN ENGLISH...
